SECURITY

Skull Group INC. has taken strong measures to protect the security of your personal information and to ensure that your choices for its intended use are honored. We take strong precautions to protect your data from loss, misuse, unauthorized access or disclosure, alteration, or destruction.

We guarantee your e-commerce transactions to be 100% safe and secure. When you place orders or access your personal account information, you're utilizing secure server software SSL, which encrypts

your personal information before it's sent over the Internet. SSL is one of the safest encryption technologies available.

To protect your personal information, we take reasonable precautions and follow industry best practices to make sure it is not inappropriately lost, misused, accessed, disclosed, altered or destroyed.

If you provide us with your credit card information, the information is encrypted using secure socket layer technology (SSL) and stored with a aes-256 encryption. Although no method of transmission over the internet or electronic storage is 100% secure, we follow all PCI-DSS requirements and implement additional generally accepted industry standards.

In addition, your transactions are guaranteed under the Fair Credit Billing Act. This Act states that your bank cannot hold you liable for more than \$50.00 in fraudulent credit card charges. If your bank does hold you liable for \$50.00 or less, we'll cover your liability provided the unauthorized, fraudulent use of your credit card resulted through no fault of your own and from purchases made from us over our secure server. In the event of unauthorized use of your credit card, you must notify your credit card provider in accordance with its reporting rules and procedures.

Skull Group INC. strictly protects the security of your personal information and honors your choices for its intended use. We carefully protect your data from loss, misuse, unauthorized access or disclosure, alteration, or destruction.

Your personal information is never shared outside the company without your permission, except under conditions explained above. Inside the company, data is stored in password-controlled servers with limited access. Your information may be stored and processed in the Cayman Islands, France, or any other country where Skull Group INC., its subsidiaries, affiliates or agents are located.

You also have a significant role in protecting your information. No one can see or edit your personal information without knowing your user name and password, so do not share these with others.

NOTICE TO PARENTS

Parents or guardians: we want to help you guard your children's privacy. We encourage you to talk to your children about safe and responsible use of their Personal Information while using the Internet.

The Skull Group INC. site does not publish content that is targeted to children.

ENFORCEMENT

If for some reason you believe Skull Group INC. has not adhered to these principles, please notify us by email at privacy@skullgroup.com, and we will do our best to determine and correct the problem promptly. Be certain the words Privacy Policy are in the Subject line.

ELECTRONIC PRODUCT REGISTRATION

When you buy any product that requires installation, we may ask you to register your purchase electronically. When you do, we merge your registration information with any information you've already left with us (we call that information your personal profile). If you haven't previously registered with us, we create a personal profile for you from your product registration information. If you ever want to review or update that information, you can visit the Profile Center, click on Update Profile, and edit any of the

Personal Information in your profile. If you haven't already created a Registration ID, we will ask you to do so. This ensures that only you can access your information.

CUSTOMER PROFILES

As mentioned above, every registered customer has a unique personal profile. Each profile is assigned a unique personal identification number, which helps us ensure that only you can access your profile.

When you register, we create your profile, assign a personal identification number, then send this personal identification number back to your hard drive in the form of a cookie, which is a very small bit of code. This code is uniquely yours. It is your passport to seamless travel across www.skullgroup.com, allowing you to utilize the website fully, without having to fill out registration forms with information you've already provided. Even if you switch computers, you won't have to re-register – just use your Registration ID to identify yourself.

WHAT WE DO WITH THE INFORMATION YOU SHARE

When you join us, or contact us, you provide us with your contact information and relevant corporate information's where necessary. We use this information to send you updates about your order, questionnaires to measure your satisfaction with our service and announcements about new and exciting services that we offer. When you order from us, we ask for your credit card number and billing address. We use this information only to bill you for the product(s) you order at that time. For your convenience, we do save billing information in case you want to order from us again, but we don't use this information again without your permission.

We have a value supplier's network, which we utilize in completing all our services, apart from our virtual products. We will only provide those companies the information they need to deliver their assigned service(s) on your behalf, and they are prohibited from using that information for any other purpose.

Skull Group INC. will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Skull Group INC. or the site; (b) protect and defend the rights or property of Skull Group INC. and its family of Websites, and, (c) act in urgent circumstances to protect the personal safety of users of Skull Group INC., its Websites, or the public.

When you purchase something from our store, as part of the buying and selling process, we collect the personal information you give us such as your name, address and email address.

When you browse our store, we also automatically receive your computer's internet protocol (ip) address in order to provide us with information that helps us learn about your browser and operating system.

Email marketing (if applicable): with your permission, we may send you emails about our store, new products and other updates.

DISCLOSURE

We may disclose your personal information if we are required by law to do so or if you violate our terms of service.

THIRD-PARTY SERVICES

In general, the third-party providers used by us will only collect, use and disclose your information to the extent necessary to allow them to perform the services they provide to us.

However, certain third-party service providers, such as payment gateways and other payment transaction processors, have their own privacy policies in respect to the information we are required to provide to them for your purchase-related transactions.

For these providers, we recommend that you read their privacy policies so you can understand the manner in which your personal information will be handled by these providers.

In particular, remember that certain providers may be located in or have facilities that are located a different jurisdiction than either you or us. So if you elect to proceed with a transaction that involves the services of a third-party service provider, then your information may become subject to the laws of the jurisdiction(s) in which that service provider or its facilities are located.

As an example, if you are located in Canada and your transaction is processed by a payment gateway located in the United States, then your personal information used in completing that transaction may be subject to disclosure under United States legislation, including the patriot act.

Once you leave our store's website or are redirected to a third-party website or application, you are no longer governed by this privacy policy or our website's terms of service.

LINKS

When you click on links on our store, they may direct you away from our site. We are not responsible for the privacy practices of other sites and encourage you to read their privacy statements.

AGE OF CONSENT

By using this site, you represent that you are at least the age of majority in your state or province of residence, or that you are the age of majority in your state or province of residence and you have given us your consent to allow any of your minor dependents to use this site.

CHANGES TO THIS PRIVACY POLICY

We reserve the right to modify this privacy policy at any time, so please review it frequently. Changes and clarifications will take effect immediately upon their posting on the website. If we make material changes to this policy, we will notify you here that it has been updated, so that you are aware of what information we collect, how we use it, and under what circumstances, if any, we use and/or disclose it.

If our store is acquired or merged with another company, your information may be transferred to the new owners so that we may continue to sell products to you.
